

## Asthma & Respiratory Management Seminar

Brought to you by the National Asthma Council Australia as part of the Asthma Best Practice for Professionals Program

*for Practice Nurses*

**Saturday, 12 November 2016**

*This seminar is a series of practical modules run by experienced asthma and respiratory educators. The modules will include: an asthma overview, medications and inhaler devices, COPD, paediatric asthma and spirometry.*

### EVENT OVERVIEW

**Presented by:** Pam Hicks and Bernadette Flanagan

**Learning Outcomes:**

- Increase knowledge and awareness of current, evidence-based best practice in asthma and respiratory management
- Develop practical skills to support the use of evidence-based procedures & practices (e.g. device use, patient education, spirometry)
- Learn strategies to incorporate this knowledge/skills systematically into routine clinical practice including Asthma Cycle of Care
- Increase confidence in managing patients with asthma and linked chronic respiratory conditions

### REGISTRATION

***Please invite your practice manager or a GP from your practice to attend the workshop from 3.00 to 4.00 pm to learn about running a nurse-led asthma and respiratory clinic in your practice.***

All registrations must be received by Monday 7 November, 2016. Registration numbers are capped and priority will be given to general practice nurses working in the Eastern Melbourne PHN catchment.

Register via our website at [www.emphn.org.au/page/events](http://www.emphn.org.au/page/events)

**Enquiries:** Kate Shirley P: 9046 0300 or E: [events@emphn.org.au](mailto:events@emphn.org.au)
