Any additional information that may support engagement:

CONSENT - Must be completed and signed

1. Consent to receive service and for sharing of service delivery information:

EMPHN and EMPHN funded providers are required to collect and use information about you. This includes personal information and information about the services you are receiving. This information is used only by EMPHN and EMPHN funded providers involved in delivering services to you. This information is used and shared to ensure you get the right service for your needs, to monitor service delivery, performance, evaluate and make improvements to services. **This consent condition is mandatory to receive services.**

2. Consent to share deidentified data with Department of Health (DoH) and Department of Health and Human Services (DHHS):

As the funder/s, the DoH and/or DHHS is interested in deidentified data which is used for evaluation purposes to improve mental health services in Australia. This data includes information about you, such as your gender, date of birth and types of services received, but does not include any information that could identify you (e.g. your name, address or Medicare number).

3. Consent to collection and sharing of information with other services:

Please list all service providers, carers and supports you consent to being contacted by EMPHN or EMPHN's funded service providers to discuss you/your dependent's provision of care and planning (e.g. GP, Psychiatrist, CAT team, allied health professionals etc.).

| Profession | Name | Organisation | Contact details | | | |
|---|----------------------------------|---------------------------------|-----------------|--|--|--|
| | | | Phone: | | | |
