#### What to expect

A psychiatrist will be online to answer general questions, provide rapid advice and support for the management of de-identified patient cases.

Cases needing detailed discussion may require a Secondary Consultation by calling the number below.

#### Accessing the service

You receive specialist psychiatric advice:

- Free of charge
- Tuesdays at 12pm to 1pm

## On-demand consultation Call 0447 136 726

#### What to expect

- A clinician will collect your details and reason for your call
- Transfer to a psychiatrist or a return phone call at a time you nominate
- A Secondary Consultation with a psychiatrist (telephone)
- A Clinical Discussion Summary following the consultation
- A subsequent Primary Consultation/assessment may be arranged where deemed necessary. This will include:
  - A remote patient consultation (psychiatrist & patient)
  - A clinical discussion to review outcomes of the assessment and management plan (psychiatrist & GP)

Ongoing care and management of the patient remains with the GP/referrer.

#### Accessing the service
